Thread: [Any game developers?](#)

FaberCastell - January 4, 2022, 3:21 pm

Just looking for anybody that has tried developing a simple game or anything like that. Any hobbyists? Let me know what you've done, i can pay.

Romeos - January 4, 2022, 3:25 pm

what type of game? indie? browser game? 3d animations?

Like a simple, flat, 2D, in-browser game or something like that

MavenGradle - January 4, 2022, 4:24 pm

Is it related to cryptocurrency in any way, shape or form?

Mix - January 5, 2022, 2:47 pm

If you need anything from the source engine I could help. Depending on anything else I might know a guy for it.

Cyber "Max" Shaman - January 5, 2022, 2:59 pm

something hacking combined with poker would be awesome.

like geting money to hacking others

like the crimes

but for hackers
