**FreeshineJustin** - January 13, 2022, 7:46 pm

Yes this is Craze. I have him on discord and have paid for his services and he continues to push them back. I will reply when he actually provides the services that I paid for. As of now he has done nothing for me.

**FreeshineJustin** - January 14, 2022, 7:56 pm

Please be careful guys, i believe that he is a scammer and has taken multiple days and blew me off for a while now on my current contract.
