Thread: [Favourite Disney Character?](#)

I'd assume most of us have grown up or are currently growing up with Disney.  
For myself it'd be Mushu because of his witty personality and also being a big fan of dragons!

Do you have a favourite character and why?

Maid Marian from Robin Hood. What a fox.

I wasn't a big fan of Disney but if I had to choose it would be Mickey Mouse. As far as I can remember, it was the only one who makes me laugh.

I'd go with Ralph from Wreck it Ralph. It's a solid movie and he's a good chartacter imo.

I'd have to say Donald Duck, really used to crack me up when i was a kid when life was much simpler back then.
