Thread: [Text Bombing/Email Bomb/General Havoc](#)

Reduk_Toba - January 6, 2022, 9:16 am

I posted on DF forums as well but figured I'd reach out here. Looking to create a bit of havoc for an abusive POS who has caused a lot of pain to some folks I'm close too. I'm sure some creative and enterprising person on this board has some ideas. Contact me to discuss. I've got all their deets ready to go. Payment in any crypto you'd like....
