Thread: [PAYING DIGITAL ILLUSTRATOR/ARTIST FOR WEB BANNER/ATTRIBUTE DESIGN](#)

PandaNFTS - January 6, 2022, 3:43 pm

We have several successful projects and have two more in the works. Looking to expand our network.

Currently looking for Digital Illustrators/Web Designers that can be reliable for several projects as well as future projects.

Looking for an illustrator who can help with the following: Digital Illustrator who can create banner art for websites to fit the project theme.

Can create different attributes for an already existing collection

Budgets are rather large for our projects we are looking for a reliable artist whom we can connect with for multiple projects.

We are willing to pay a base retainer (per project)/percentage of sales anyone interested in joining our team.

You can DM me, reply to the thread, or add me on telegram.
