Thread: [Where are Nachfolger's Comrades?](#)

Gary Clark Jr. - January 10, 2022, 5:33 pm

A'hoy comrades,

Upon recent review of [Nachfolger](#) 's profile I noticed they do not have any comrades.

Have you sent them a comrade request and more importantly, do you think they will accept mine?

Regards

I don't even have comrades. I like living my lonely life.

Comrades do not have any actual effect on this site. I'm not sure why it's even a thing.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

That's what they want us to think. However I think there's another motive behind it.
