Thread: [Best grey users of the forum list 3.0](#)

wtf - January 13, 2022, 12:05 pm

Explanation:

Spoiler ([Click to View](#))

Hello, I'm usually in HF convo chat daily and i noticed alot of grey users come and go.

One of the reasons i have decided to make this thread is because this thread:

<https://hackforums.net/showthread.php?tid=6178862>

turned from me messing around with the guy to a wholesome thread where everyone is giving him rep to stay.

So, I'm making a list with the grey users that i believe deserve some love so they stay.

I'll keep this list updated and if they upgrade their ranks they will be permanently removed since job will be completed.

List of the best grey users:

=====

[RayH](#)

Recruiter: [wtf](#)

Raynard is a really special user, we have been through alot and it always seems like he got his priorities straight.

You can learn alot from this good grey user he always speaks with wisdom.

=====

[SIM-2756310](#)

Recruiter: [wtf](#)

Best sim on the forum, really great user been talking with him for a while now.

He has allready been on the forum since 2015 and debating to upgrade to L33t so this user will defenitely stay on the forum.

=====

[the_bane](#)

Recruiter: [Eran](#)

He joined HF not even 20 days ago and already has 300+ posts. He is actively engaging in several sub-forums

and is being very helpful and welcoming to other new users. Very mature and overall a good person to talk to, he will go far ?

=====

=====

[SIM-3865436](#)

Recruiter: [wtf](#)

It seems ghosthunter has been pretty active in HF convo, i haven't spoke much to him personally but i have noticed that the good users of the forum are enjoying him. So i would like to add him to the list!

=====

Don't be afraid to rep some of these users, maybe some bytes even a rank if you're real generous they deserve it.

Any user generous enough to upgrade one of the members above to L33T or Ub3r will be added to the thread.

Also the upgraded user will be moved to the success stories list.

List of success stories:

(This is a list of the users that were upgraded)

=====

[Luffy- -](#)

Recruiter: [wtf](#) - upgraded by: [Joe](#)

Sorry Luffy i thought i had allready added you onto this list but i guess i didn't. One of the best grey users on the field currently. Friendly, nice, and epic keep up the good work Luffy!

=====

=====

[Sapple](#) - upgraded by: [wtf](#)

Recruiter: [Eran wtf](#)

Sapple has been a great user from the start, always grateful pretty active and just a kind user overall.

He has proved his worth to the community and i think he will become a big user in the future.

=====

=====

[Networker](#)

Recruiter: [wtf](#)

Whenever this user comes in HF convo he always puts a smile on everybody's face. Schnitzel is as good as a grey user gets thats why i will be a bit upset whenever he does upgrade.

=====

=====

[hayesh](#) - upgraded by: [Meeetirm](#)

Recruiter: [Meeetirm](#)

He is been with us since 2018, and his presence is great addition to Hackforums.

Really good grey user! - Meeetirm

[Dakmor7](#) - upgraded by: [Meeetirm](#)
Recruiter: [wtf](#)

It seems this guy was a former L33t even Ub3r at one point but it was only temporary. He has been here since 2017 and has a outstanding record for a grey user.

[MeW11](#) - upgraded by: [Meeetirm](#)
Recruiter: [wtf](#)

Dear doc, even though you use me for my precious bytes i wouldn't want any other doc on the forum.
There can only be one real doc on the forum.

[.?.ZyL€.?.](#) - upgraded by: [Meeetirm](#)
Recruiter: [wtf](#)

Zyle is one of the OG grey users, I didn't wanna add him to the list because hes really good as grey user.
But i think It's time he gets an upgrade in the near future.

[LeadPal](#) - upgraded by: [mention=2774521]
Recruiter: [wtf](#)

Good grey user he always is nice to all the members. he has also been around since 2014 which is fantastic.
This user will come far on the forum is what im guessing.

[randvoo12](#) - upgraded by: [Maadcat](#)
Recruiter: [Beherit](#)

Recent new user that has been in contact over exchanges. A kind and professional attitude all around.
If you're in need of a resume, he's your guy. Hoping to see good things from this user in the future! - [Beherit](#)

[Simon77](#) - upgraded by: [Joe](#)
Recruiter: [wtf](#)

He's a new friend of mine hes pretty active on HF convo lately and i believe he has potential to

become a great user. really one of the kindest users on HF

[bevc](#) - upgraded by: [mention=5037217]
Recruiter: [wtf](#) [SIM-353284](#) [Joe Mortician](#)

Even though he ignored my message in convo I'm willing to give this user a chance since me and some of the official recruiters felt like he has been a good member on the forum.

[thatBaconGuy.cpp](#) - upgraded by: [mention=2774521]
Recruiter: [wtf](#)

Seems like beacon21 is active 24/7 now just being a good member.
Then a guy with 6 open disputes decided to neg him for no reason
and neightworks decided to join this is what i call classic grey bullying.
Spoiler ([Click to View](#))

[mention=4963606] - upgraded by: [mention=4880700]
Recruiter: [mention=4880700]

forfeit always posts decent stuff in the hacking section which shows knowledge
and a want to help out where they can, and has a cute ass dog <3 - [mention=4880700]

[Meeetirm](#) - upgraded by: [SIM-353284](#)
Recruiter: [wtf](#)

Also very active in the HF convo, most users there will allready know him
and he should've been ub3r a long time ago.

[hackerm0m](#) - upgraded by: [hackerm0m](#)
Recruiter: [wtf](#)

I just gave this user some rep and she seemed very thankful, grey users are always thankful
and often get ignored by ranked users. hackerm0m being thankful: Spoiler ([Click to View](#))

[Under-2000](#) - upgraded by: [Regulus](#)
Recruiter: [wtf](#)

Very new user, seems like a nice guy often in HF chat and all hes done so far,
is give to the community look at his threads.

=====
[mention=3707989] - upgraded by: [Regulus](#)

Recruiter: [wtf](#)

I'm always happy to see him join HF convo usually i give him some bytes and he flips those into profit and hes like a brother to me. (also in my favourites list)

=====
[fenompls](#) - upgraded by: [Joe](#)

Recruiter: [wtf](#)

Seems like he has been really active lately, even got the october award.
A grey user that desires an award like that is pure potential in my eyes.

=====
So apparently ub3rs can only update a thread 15x so I'm starting a 3.0.

Thread 2.0: <https://hackforums.net/showthread.php?tid=6179433>
