Thread: [\[FREE\] Most Trusted Solana NFT Signals Onsite \[FREE SIGNALS\]](#)

Sportsbetting - January 14, 2022, 11:26 pm

Hey everyone.

I am very fortunate to have successfully launched my NFT Signal Service on HF in recent days.

The response has been amazing, and the community I have built on Discord is popping!

To celebrate this, I am opening up a separate free discord to all members, where my team analysts will provide 1-3 expert signals per week. The current winrate for our signals is 100%.

- Up to 1-3 Free Signals per Week
- Solana/Phantom set-up & use guides
- Introduction to NFT's (for the newcomers)
- Access to whitelists

We hope to achieve helping as many people earn as possible!

SPOTS AVAILABLE: 50/50

We will close the group off to the public after reaching 50 members within the group.

To secure a spot, please PM me & I will invite you.

If you would like to purchase a plan for our premium calls, made multiple times per day - please check the thread link in my signature. Thank you all for your support and I am eager to meet many of you!

I need to do this... why?

I do not need a role in the official HF discord.
