I exchanged with Tilo just now. Not only the transaction was super fast and he is very friendly, he is also very patient as well.

I miscalculated the amount that I had and send him some dollars less. Still, we figured it out in the end, but I cannot help but notice how professional he treated me after this.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
