Thread: [\[S\] \[METHOD\] How to ban social media accounts free ? Facebook Instagram Twitter](#)

Moloch - January 19, 2022, 5:05 am

? I can see that peoples on this forum is selling Account Removal services. ?

? So i am thinking maybe someone interested into learning methods and not pay for service ?

? There is plenty of methods out there on the internet free to access everyone who do little research ?

? I am not saying that after purchase u will ban any account without effort, its like gambling until u get some knowledge. ?

? Saying knowledge i mean that u need choose the right method for the right situation. ?

? I will charge for each Social Media platform methods. ?

? Facebook [4x methods] 300 euro

? Instagram [4x methods] 300 euro

? Youtube [2x methods] 400 euro

? Twitter [2x methods] 400 euro

MIDDLEMAN ACCEPTED AND RECOMMENDED

ONLY 1 VOUCH COPY AVAILABLE [Start Contract mentioning vouch copy and if i accept u agree to leave review]

? After reading and understanding all methods its really eyes opening how unsecure social media is and how easy is to manipulate they term of services. ?

? This forum requires a contract system i already read about it so anyone who interested start a contract.

And if u have any questions or problems with understanding which method u should choose after purchase u can always message me on this forum or

Telegram @Moloch777 ?

OP hasn't been back on here since the day he created his account/thread. There are already some well established users, who have been around for a while, that are trusted that offer this service.

I would recommend doing your homework before just offering to send random people money. There are more broke scammers on here then there are legitimate sellers.

Me personally, I only deal with people I see have a strong selling/successful contract history.
