Thread: [Public Equilibrium Leadership Poll](#)

Lrrr - January 21, 2022, 11:05 pm

We here at equilibrium take our jobs seriously. This is why we take the temperature of the forum for our next great leader.

Equilibrium leaders must lead by example, and have pubic hair. They must not be sidetracked by feet pics or anime girls. They must remain active at all times and be able to activity check the rest of the group.

To that end, we ask HF for the votes

Who will the next leader of equilibrium be?

Agreeing with previous two weebz as well, I will choose to vote for a list of new tributes.

We need a leader that leads.

[Leaders are not leading](#)

Leaders were leading! But sadly the man took away [Lrrr](#) power to lead.

I like turtles, also.

I voted for the "I like turtles" option. With that being said, I would assume [mention=420] could be a decent leader if given the opportunity.
