Thread: [Get up to 100% cashback in crypto! | Sign up bonus](#)

Hi everyone, I am sharing this great app that gives you up to 100% cashback on everyday shopping.

I know it sounds a bit too good to be true, but it works!

All you need to do is shop using their app and you will receive cashback in sg coins.

The only downside is that sg coins you receive will be pending for up to 90 days, so you won't be able to withdraw them immediately.

How it works:

For using my referral link or invitation code you will get a 200\$ bonus:

Use invitation code: RRBDDDB

If you have any questions let me know

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
