Hey Everyone,

I am Glad to be the part of this community.

I have an ad network Company. It offer Pay per Installs. I am looking for an advertiser who have his own Rat Tools, Botnets, Mining Tools, Crypto Stealers etc. I can promote his Rat Tools, Botnets, Mining Tools, Crypto Stealers etc. I have unique Windows, & Mac Installs. I have worldwide installs from T1 countries to T3 countries.

Pm me your contact details

Price Depends Upon Many Factors like Geographical location and Volumes/day

What is the knockback and CR of the file and level of encryption if it's Bypassing the WD&Cloud?

Cheers

Wondering if you bother to Read the Topic first or You just Pasting the Pitch Randomly in anyone's Topic.

Secondly, I am damn sure what you got on your table to serve the clients.

Stay awake Brat
