Hey guys so I've been ewhoring for several years but stopped since 2017/2018. What is new so far? How do you handle payments? is snapchat still profitable? Where do you get your traffic from?

Cashapp, Paypal , Apple pay, venmo these are the most common

You can get traffic from dating apps or chatting sites

I use cashapp, paypal, banned on venmo. you can also do apple pay but you gotta give out your info. google pay works really well also
