(Mar 4, 2022 01:51 PM)noodeath Wrote: [\[CITE\]](#) I bought a load with 500 world wide bots. I basically got them instantly. Swidden is fast and easy to speak with.

I was dumb enough to forget to test my stub and of course it didnt work that time. I told swidden and he paused the loading until I was able to fix my stub.

Really great guy to purchase from 10/10

Stanley - May 20, 2022, 12:28 pm

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
