Sorry I'd rather pay \$200 for my own userbar than pay someone else \$20/6 months or w.e bullshit it is to use theirs. 3 years ago I'd do the \$300 but the price isn't yesterday's price ?

(Jul 22, 2022 01:19 PM)-Scrub Wrote: [\[CITE\]](#) Sad how low things selling for

Do you think it's even worth that though? Look at the activity level.

You're not getting a crew for \$200 lol. Most people would rather just hold them or give them away.

B0Trun - July 23, 2022, 6:36 am

Good luck on your selling . Hope you make some money

For sure, might as well give it away if you're not active here anymore. No one's going to pay \$200 for it either way, that's me being generous too lol.

(Jul 23, 2022 06:33 AM)-Scrub Wrote: [\[CITE\]](#) I sold like 10 syndicates at \$100 and that's when activity was actually poppin. With current state I'd say \$200 is more than fair.

Although zexo is right I doubt anyone selling for that price rn. Give it another month or 2

Right so it is overvalued but I guess when people like Zexo say shit like that, others think they're worth more. Like anything, whatever you think it's worth you sell it for, there's no logic to it, we're talking about buying userbars

(Jul 23, 2022 06:52 AM)-Scrub Wrote: [\[CITE\]](#) I believe I also sold one for \$400, times change and the amount of bytes it costs now to purchase has also changed. So it should mean price would go up you'd think, but you need a buyer. Zexo wasn't wrong. Imo at the current state I feel \$200 is fair, although I doubt anyone takes that..

And that's okay like he said, they can opt to hold them if they're unwilling or gift them. I also get it, if I paid 500 for something, naturally I'd think I would sell it for less over time, but if people buy groups and crews as investments, absolutely wouldn't sell it for less than I paid.

take your discussion elsewhere, this is a thread to sell a crew not for you to slate activity levels.

byte prices are still \$2 /k
which is \$1,000 for a syndicate crew.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
