Thread: [tips and knowlege acceptable](#)

zymbixz - February 1, 2022, 11:09 pm

hello fellas im new here and looking on coding hacking tips send some my way plz

Nate - February 2, 2022, 12:39 am

Welcome to the site, caught me off guard with the title !

Just be yourself reslly, I wouldn't suggest pushing anything illegal

Eran - February 2, 2022, 2:00 am

Welcome. Make sure to read the [Help Docs](#).

There are plenty of resources here, don't be a lazy bum and use the search button. Good luck! :)

RTKN - February 2, 2022, 2:45 am

Welcome my Brother, You can upgrade your account here <https://hackforums.net/upgrade.php> , be sure to read the rules

Luffy-_- - February 2, 2022, 2:47 am

Hello welcome to HF, you can surf the coding or hacking sections of the forum you'll find lots of good information .

Enjoy the forum :)

L1l DuRk - February 2, 2022, 3:26 am

Welcome aboard and take your time to navigate around the code section of the forum, I'm sure you will find what you looking for.

Yanix - February 3, 2022, 5:53 pm

Good on your Hack Forums journey...welcome aboard [zymbixz](#)

Donutsrule88 - February 3, 2022, 5:57 pm

I'm new so just here to learn!
