Thread: [Hello I arrived!](#)

BrRa07 - February 2, 2022, 3:04 pm

Hello people from hf, I'm here!

My goal here is to make sales, make money, and deliver great service when loads are the goal.

I look forward to good business here, and to repay the hf for the exposure opportunity I gained by upgrading my account in the future.

I wish you all good business.

Hello, BrRa07! Yes, you should very well upgrade! It's definitely worth doing so!

Good luck! I'm trying to upgrade to vendor myself ?

Welcome to HF. Make sure to read the [Help Docs](#).

What exactly are you trying to sell us?

BrRa07 - February 2, 2022, 3:29 pm

Thanks for the welcome, Eran and Deany.

I will try to sell loads, bots, like a botshop.
