\$1 per reward?

Isn't Amazon prime like 5 euro?
Pretty expensive...

Per reward meaning like... per account! All rewards are unlocked.

Wow I worded that horribly haha... thanks for the correction.

I'm interested in the prime rewards so I can claim a gaming capsule on League of Legends. Not sure if that's what you're offering.

This is bad ass! Really think this is a good deal to because I've been trying to get one of those

capsules every month for a while.

Bought two Twitch prime accounts for the rewards capsules on League of Legends from him and it was smooth. Definitely will be buying more.

Yes there is. I do suggest you keep it realistic and stream while getting subbed too.

I provide the logins, you can sub to yourself as you please.

Jackets - November 14, 2022, 1:31 pm

BiggL - December 20, 2022, 4:32 am

PM'd you, looking to find out more!

Rev - December 20, 2022, 12:45 pm

How do you have multiple of the same thread selling the same thing in the same category on the forums?

Laughing Man - January 1, 2023, 9:45 am

Would you be willing to offer a vouch copy on your subs? Nothing personal a bunch have come and sold subs and they never stay, twitch cancels the sub so I'm willing to try though. [warn]
