Thread: [\[WHITEHAT\] Earn \\$100/day or I will refund \[OPEN TO MiddleMan\]](#)

Beaks - February 6, 2022, 12:23 pm

I have been using this method for quite some time and have earned thousands through it. However, have noticed recently people started to sell it on here for outrageous prices (\$400-1500). I have not bought this method from any user on HF but it is very clear that it is the same method. This is not some super private only 10 people know it method, a few thousand people know this method but it has been ongoing for years. This will not be patched and if you don't earn your money back after trying I will personally refund you 2X the price you paid me.

Going to keep this pretty simple. Requirements below. You can earn \$50+/hr easily. Will give away two vouch copies then \$100 copy afterwards. 15 copies total.

One of my competitors is seen in comments below calling me an "idiot for selling for \$100". Clearly shows that he values this method very much. Edit: Post deleted for harassment.

Payouts can be made by bank transfer (ACH) or gift card. Payouts take about 3-5 weeks. I will not be answering any questions about "is it this or this or this or this or this or this". Simply put, you will make this \$100 back with 2 hours of time. The 2 vouch copies will be sent to highly repped members to reassure you of this.

Requirements:

US/Canada Resident

VALID ID

Bank Statement/Utility bill to verify address

Approx. \$200 investment for \$1900. Can do less to start if you'd like any amount.

Customer payout:

After reading this the method itself is completely straightforward. The user provides everything you need and visual examples so you don't mess up at all. I'm currently still setting it up and should have it up and running hopefully this week or beginning of next to provide proofs next month.

Other notes: The format could be better but that's just personal preference and you will need \$50-200 to start this up to amount to 2k profit.

Ease: 10/10

- Honestly I don't think it gets any easier. While this method could be seen as tedious, you do that to yourself; you want to do this from morning to night? Great I couldn't think of any easier job that's not autopilot, you just might want to die by the end of the day.

Accuracy: 10/10

- This SHOULD be a pretty easy field for ebooks, but most of them are just lie and tell you outrageous claims, this thread overall is straight forward and there isn't anything unreasonable. If anything it's underselling because you could genuinely knock out the \$2000/mo in one go if you want to (I don't suggest it).

Uniqueness: 7.5/10

- Thousands of people use this method, I tried reverse searching it to see if I could find it on other forums posted publicly but I couldn't, so it's at least not "public" but there are very very busy telegram/discord groups dedicated to it.

Profitability: 8/10

- So I should clarify here, getting your return back takes a few hours, maybe a few days if you want to take your time with it and not get burnt out. On that standpoint the money back is a 10/10, however given its nature of tedious work over long stretches of time the effort to money ratio could be stronger.

This does not requiring building up any social media or anything of that nature. It takes about an hour to make \$50-100 then it is strictly a waiting period of a few weeks to get paid out. No need to build up anything.

Can you do this every hour on the hour, or is it just a one time per month? I'd also assume that the lowest is \$50 and in two hours you get back \$100. If I put in \$500 would it be \$1000?

Had trouble requesting with verification since I have a bank joint account needed to submit other person id been delaying the process. Will be updating in 6-8 weeks. Also he has openly said thousands of people know this method and I've found some groups of hundreds of people all being cashed out that have no idea what hf is or any online forum in general.

It is definitely good and has been going on for years as he said in the OP. You're paying for a

repetitive task thats guaranteed to make you money each time probably the most legit method on HF.

Carbohydrates - March 2, 2022, 3:47 pm

is it set and stone at \$50/per hour or does it fluctuate?

As I read about this service I saw it's like a job - needs to be done hands on but guaranteed money for a repetitive task.

Does the pay per hour rely on how quickly you can get the task done? I'm assuming you are paid by completing 1 task? So say someone is a bit slower is it possible to be paid only \$30/hr due to completing less tasks? Where as if you're faster you can potentially be getting paid even more than \$50/hr? Or if I dedicate an hour I will be guaranteed to only make \$50 no more, no less?

Online for support. If this is patched within 30 days (enough time for you to make thousands) than I will refund you

seren7 - March 17, 2022, 4:02 pm

I don't need to know the method but seeing as it's non-refundable, could I at least know if it involves any form of crypto, and if so, some legit crypto accountant recommendations(UK and non US).

i wouldnt mind getting some more info

Cr0wy00 - April 7, 2022, 9:31 am

Could anyone who has been using it for a bit give us a good idea of what we can expect if, for

example, we were to use it for a week daily? Would that basically be \$700 a week if you were going at an average rate daily? Any cap on profit that can be made in a specific period? Very interested.

There is no "cap" but this requires you to work. So I wouldn't go overboard and burn yourself out. Realistically you can expect \$30-40/hr. If you treated it like a full time job you could easily do over \$1000/week.

ssbXY - April 7, 2022, 4:07 pm

Seriously interested to discuss more specifics on this. Send me your disc or telegram, thanks.

Beaks - April 7, 2022, 9:44 pm

Thanks for buying ssbXY. Happy to have another happy customer :)

1 more copy @ \$80 left

Stanley - April 8, 2022, 9:56 am

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Beaks - April 8, 2022, 3:11 pm

Available to support throughout the weekend. One copy left at \$80 then price will increase to \$100. This is USA/Canada only!

See some vouches on previous thread. Several of my customers now have received \$1k+

SquaLLio - April 8, 2022, 3:19 pm

I'll take the last copy if it's still available.

darkair - April 8, 2022, 4:42 pm

wish this was available in my country, but looks like you're doing good with sales! good going!

Yeah sorry :(I wish it was too!

I will keep you updated if I can find a similar method in other countries, I am actively searching :)

Ever Flow - April 10, 2022, 8:12 pm

I bought the method and it seems pretty straightforward. It does take additional investment and it

takes time to get the money. It's impossible to tell until I cash out but if everything is true then you can make at least 1k+ a month spending 1hr a day

The issue is the time required to get paid. So it's hard to write a real vouch or review until 3-6 weeks.

Beaks - April 12, 2022, 6:22 pm

The discounted copies are sold. Back to normal price. After more customers post proof of \$1000+ earned in first month I will increase price.

Beaks - April 14, 2022, 5:41 pm

Will sell only 4 more copies then closing thread. If this thread is open there is still a copy available.

Beaks - April 17, 2022, 9:51 am

Happy Easter. 4 copies still available.

Easter Sale is \$80 per copy.

I just replied to you. Please don't dispute contracts in future when someone doesn't reply in 5 minutes it's pretty disrespectful.

Beaks - April 21, 2022, 10:27 am

Two more copies for \$90. Online for the next few hours :)

Tersaik - April 21, 2022, 7:20 pm

Well I just bought the method and I can say that it is completely legit, I didn't know that you could make money this way.

I will update with my earnings once I get them.

I got in contact with him and explained method to him. He told me if he has any questions he will get back with me but no messages yet.

I asked him to close his open dispute since the dispute is about contacting me. He told me will close it right away and I haven't heard from him since.

Beaks - April 23, 2022, 8:13 pm

1 more discounted copy of \$90. Don't miss it :)

Beaks - April 25, 2022, 8:07 am

FatBlackWoman - April 27, 2022, 1:55 pm

If the method is legit can I take a vouch copy and then pay you the next day if it works for me?

I will write a full honest review as well with pictures.

Beaks - May 1, 2022, 8:05 pm

Last copy still available at \$90, then it goes to normal price.
