I'd like a vouch copy for Amazon reviews as you're kind of a newb around here.

Update: 2/21/22 Proceed with caution. Seller offers vouch copy, then turns around and says he's going to charge with no mention of that until you bring it up. Then he gets an attitude when you call him out. This might be a good service but Buyer beware at your own risk.

Hey man,

Are you still able to provide amazon reviews?

Kindly let me know. And I tried to add you on tele but couldnt find you.
