Hi,

Yes. You can use this for whatever you see fit. It's a great tool for monetising traffic with Reddit. Specifically I used it to gain adult traffic from Reddit.

I'd be interested in the vouch copy.

I don't believe anyone really should deserve a vouch copy. But, I'd be interested in it as I am an avid reddit user, would make a new account and would post results based off of that over the course of X amount of days. I will give an accurate & honest review.

Talk Soon,

ShopifyExpert - March 22, 2022, 10:16 pm

Only concern with this being reddit has caught on to autoposting / bots as of late, wonder how long accounts will stay live using this.
