If that's how you're supposed to earn rep and/or MoTm, they could aswell just be removed

jcole - February 22, 2022, 8:51 pm

I'm sorry that you seem to have gotten triggered by this. You smell like a multi.

Kr0n0s - February 22, 2022, 8:56 pm

I've been a bit too harsh beforehand, altho I don't see exceptional value or knowledge provided, i feel like You're a good guy and certainly have better intentions than certain other users that see way less harsh insults or shame.

I do not condone the actions or reasoning behind them because I have a different values, I have by now paid a 1 week sticky which I don't want to waste, but after that I feel like You'll have expiated Your wrongdoings and I'll delete this thread. It's good to have some memes and a laugh some times.

I thought i read somewhere, saying popularity is useless in this forum?

SIM-2502833 - February 22, 2022, 9:15 pm

Jcole is a good guy. Maybe investing a bit too much in the value of HF popularity, but he's very kind

and I have yet to see him do anyone dirty.

While personally I subscribe to the fact it is morally wrong to pursue honors, I see no problem with him trying to enjoy MOTM for a month, especially considering the considerable effort he's put into the forum and into trying to grow the community.

Honestly, just because he wanted reputation isn't a reason to hate or insult him.

He deserves getting memed for -repping someone that just refused to +rep him without actually feeling he contributed with anything of value.

Rep = reputation, So since I don't give him Rep since he asked, i get negged k
Deserves to be memed, I personally don't feel any of his posts (i've seen last 10's) have any value whatsoever, so I didn't +rep, in exchange of not doing that, i get neg'd :")

How many people come on this forum, steal, dont donate a penny to the cause, and don't build a relationship with anyone and are insulted less?

Jcole obviously takes the forum seriously and wants to be involved. Sure, maybe negging you wasn't polite. But honestly between the two I think you're way more retarded, and wouldn't bother insulting you for it.

Kr0n0s - February 23, 2022, 12:36 am

things to make clear since now this is a sticky.

- 1) I have solved the issues between me and Jcole, at the end of the day he's a good chill dude, we all make mistakes and cringe actions sometimes, there is no end goal in being harsh one to another.
- 2) I've accepted as redemption to have this sticky up and running for a week to expose the cringe and meme it, not directly assault someone.
- 3) Enjoy the memes.
- 4) I have paid the sticky mainly to support HF.

I don't see where OP hated or insulted jcole. In the screenshot you can see OP stating that he is sorry for assuming which afterwards jcole responds with a -8 rep, which seems out of hate, just because OP inquired about the legitimacy of getting MOTM by asking for rep instead of earning it.

I've nothing against jcole, seems like a cool member. But neg repping someone because they don't want to give you a +rep is weird to say the less.

Shame to see Jcole doing this if they are spamming people, it's a little low.

Also, I think that pop hasn't got everything to do with MOTM I know it plays a role in whoever gets it but I think that the amount you're replying and posting and making threads and stuff also has a part to play and I believe even bytes do too.

Jcole is a douche asking for popularity so he can get a trophy. Instead of being member of the month through quality content - he wants to neg people into giving him what he wants.

Fuck Jcole.

Anyone ripping OP for this thread, fuck you too. Omni got some money, a douche got publically talked about and members became aware of his actions and we got more content on HF to talk shit on.

All we can hope is Jcole learns from this and other members don't even try it.
