Just as the title suggests, I'm looking for a vivid vaccine card. I'm new and not sure if this type of post is allowed. PM me or email me at cobraoppz@gmail.com

Think before buying this, heard so many stories that backfired because of this.

Hope you enjoy it here, read the [Help Docs](#) if you have any questions and get familiar with the contract system.

If you have any questions regarding anything, you can always contact me.
