Thread: [Web Developer needed Simple Website.](#)

**SIM-3281006** - March 2, 2022, 2:16 am

I need someone to build a very simple website for me and I have the sample.

I want serious minded and not scammers who will ask for upfront payment and run away after receiving payment.

Hey mate,

I might be able to do it, send me some more details via PM and we can start a convo about it :)
