Thread: [I will make you a \\$10K+ Professional Shopify store design](#)

m?x?m - March 4, 2022, 7:00 am

Tired of making stores that don't convert any visitors into customers? Great, I'm here to save you from the headache it delivers!

To introduce myself,

My name is Maxim and I've been in e-commerce for well over 2 years now and have made and tested dozens of Shopify stores.

to save you from your struggle, I'm offering to help you with designing a store that customers won't hesitate to buy from.

What will I do for you? Make a professional-looking homepage for your brand or dropshipping store to instill trust with your customers.

Make an easy-to-follow product page design so you can easily add more products without making the site look messy.

Optimize your product page for the highest conversion rate possible.

Add an Order tracking page.

Add bundles/quantity breaks to increase your AOV.

Use a Free or paid Shopify theme (No increase in price for using paid themes.)

My services are available in both Dutch and English. For any other languages please feel free to contact me.
