Thread: [Dawn Group Old Content](#)

Bullup - March 7, 2022, 4:17 pm

I bought a group from Omni and got the old dawn group.

Dawn had hundreds of threads, i got a PM from someone wanting content from the Dawn group in the hopes i didn't junk the threads, which i did not.

If there is anyone else who wants to take content out you can apply for group access and send me a PM - they will not be deleted but closed.

Well that's a transaction I didn't see coming..

How many posts is it? I wouldn't like to see all the old dawn members lose bytes because of this, however most of them have faded away anyways.

I didn't thought about that, i'll just close the threads instead.

NF was quite inactive as far as I know, but seeing as he's logged in recently I don't think that's the case. If Omni was removing a group it would likely be Neal's as it appears he might have gotten dicked by the IRS after making millions in crypto last year. However that's just a meme guess.

They are not but i already answered that i would just close the threads, which was also an answer to your offer as well, which i appreciated regardless but i don't mind storing them.
