What do you Mean by "Effective BITRATs". Elaborate More.

n3n0 - March 10, 2022, 12:01 am

im also confused.... what do you mean ?

naxster - March 14, 2022, 4:45 pm

I think he's that confused that he actually think "BitRAT" is the official name for a RAT (Remote Administration Tool)... So instead of him writing "Rat" he writes "BitRAT". :/

ftkhack - March 16, 2022, 3:50 pm

my bad guys, I'm not a hacker, although I interested in it, I would just like to accomplish what I have set out to do

(Mar 9, 2022 06:12 AM)Rushov Wrote: [\[CITE\]](#) Do you just mean what are good Rats I'm confused
I want to know a good RAT to use. one that is reliable, and valuable, if you guys have any recommendations. can you send them over to me and also explain to me the features of them

thanks, if you need anything else from me to help make your decision pls let me know

mrmike - March 17, 2022, 3:59 am

What you mean? I am not quite sure what you mean?

PAID rat- BitRat.
also quasar and tons of others on github aswell

Selfpwned - *March 22, 2022, 12:30 pm*

Wickr ?

You are crazy if you use such software and ask here for RATs.
