Thread: [FREE 600-1000 TikTok Views](#)

Demmenis - March 10, 2022, 3:34 am

Hi, I'm offering 600 (up to 1000) tiktok views to the first 2 recently posted videos for the first 10 users (or I can provide views on a particular video)

Leave your tiktok name here or in private (1 video 600-1000 views, 2 videos 1200-2000 views)

huh? I think you don't know what you're talking about :)
Check your videos on how to tell if it's not working?

those to whom I sent views can confirm that it works.
Also in the screen below you can see the views sent to you

video is new

Stop telling lies and nonsense, I'll report your post.
And today I no longer offer this service to people with new accounts and no reputation, because
you are a liar.

I sent you another views just to prove you're a big liar

Your video had 939 views and now has 1954

You're a liar !

proof before

proof after

Bye kid !
