ROI - March 12, 2022, 3:17 pm

Closing thread to edit names. All votes/posts here will still be counted.

I'm looking for feedback on a business name.

Vote and you could win \$25 BTC!

How it works:

Vote = 5 points (required)

Post = 1 point (max 5)

The more points you have, the higher your chances of winning.

Winner chosen at random via random generator + screen recording.

Please only post once every 24 hours.

Contest ends March 20th.

Good luck and thanks for your feedback!

Note: If you took [my survey here \(guaranteed \\$5 BTC\)](#), please do not enter this contest
