Thread: [WIFI PASSWORDS HACKED PLEASE](#)

damiankowalski - March 12, 2022, 7:06 pm

Hello. I am looking for a paid scripter to crack wifi passwords. Greetings

damiankowalski - March 20, 2022, 2:29 pm

could you be more precise in your answer?

on-screen keyboard haha :D

wuhudasima - April 3, 2022, 5:39 pm

just capture the package and run hashcat on it :D

Damian po co ci jakis skrypt skoro masz hashcata i aircrack-ng? Slowniki znajdziesz bez problemu w sieci. Jedyne czego potrzebujesz to silne GPU i jedziesz?

Translating: Damian, why do you need a script if you have a hashcat and aircrack-ng?

Dictionaries can be found on the web without any problems.

All you need is a strong GPU and you're off.
