I believe Vendor has 40 per day, something like that. Forget where the page is that shows it.
We can knock this out in an hour, I'll start from the top if you start from the bottom. We'll meet in the middle.

I'm vendor. And I reach the limit at around 10-ish reps. Haven't counted though.

You must have them spread out through the day. Uber is 25/day, I believe vendor is 40 a day.

Thank you for everything you did for the community this last month [skull](#) . Super helpful and active, and you actually did a giveaway every day for an entire month on top of all the bytes rains in convo and everything else you've given away. You are of the most HQ on this forum.

Cooligan - April 30, 2022, 5:29 pm

I just realized how insanely generous you've been this past month, absolute respect brotha.

Really nice to see someone so positively involved in the HF community.
