there are many reasons for this to be offered that do not include that. for example resellers who use
botting software or legitimate people who face account bans as we all know companies like ebay or
Paypal love to ban you for no reason or for the dumbest reasons..

100% for refunding/se lmao

discuss more about this.

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page
and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP

(Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
