Thread: [\(VALUE\) JUULSTAR'S PAID SNAPCHAT SHOUTOUTS - CHEAP SNAP TRAFFIC](#)

juulstar - March 13, 2022, 11:09 pm

hey! i work with multiple snapchat "influencers" who sell paid promos. i am offering posts on their stories to HF.

current influencer promos for purchase:

~

INFLUENCER ONE

niche: general, should hit all types of people on snapchat. seems to perform best among men.

recent stats: Spoiler [\(Click to View\)](#)

price asked for:

\$60 PP F&F

\$65 BTC

(this influencer doesn't take btc so i will have to convert the btc to fiat for him).

NOTES FROM INFLUENCER:

"Snapchat traffic is bipolar. You can expect 100k views on some days and 10k on others."

influencer says bulk orders may be negotiated pricewise depending on how his traffic is.

influencer has greenlit 99% of use-cases, so you don't have to worry about the order being denied.

blatent nudity not allowed.

~

more influencers on the way as i work out deals with them!

i will not be giving out any vouches due to the nature of the product, though i can offer a partial refund if the story begins performing terribly under CERTAIN pretenses. a lot of how the snap performs depends on what YOU ask the influencers to post.

stats on your shoutout can be given upon request (must ask within 24 hours of posting).
