Thread: [ABUSE AFFILIATE SYSTEM - \\$5000 + PER MONTH \[WORKING WORLDWIDE\] - 7/10 COPIES LEFT](#)

Private Ryan - March 16, 2022, 10:39 am

Willing to offer a method I'm using to abuse referral program in 1 website which makes me ~8k\$ per month.

The method is really easy to do and it works worldwide.

To keep it as private as possible I will sell only 10 copies.

You need minimum \$200 in BTC/ETH/LTC/BCH to start using this method. Requires 1-2h of work daily if you want to achieve nice results (or more solid investment). Method can be repeated multiple times. The earnings you will make depends on 2 factors :

-The amount of work you are willing to put in it.

-The amount of money you can invest.

Earnings are paid in crypto. Works for 4 months already with 0 issues.

Price per Copy - \$500

Contact me - Private Ryan#2516

Can offer 1 vouch copy to someone willing to test the method.

I can take the vouch copy, I have the required funds to be able to review method.

Private Ryan - March 16, 2022, 10:49 am

Vouch copy was taken. 9 Copies left (I reduce them with 1 because of the vouch copy)

eSp0rt - March 16, 2022, 3:15 pm

No more vouch copy available?

Sorry, no more vouch copies are available. Moneymo also suggested me to limit spots to 5 maximum as this is a goldmine and I will consider it once he posts his review.

I respect you taking out a slot after giving away a vouch copy. Shows you really mean business.

Good luck with sales.

Update: Worked with Private Ryan for about 30 minutes around 12pm EST, he started to walk me through this "method". Within 10 minutes of executing this "method", I lost my entire "investment".

He told me that he will re-deposit my lost amount for me later this afternoon as he was not near his computer at the time. I contacted him 2 hours later and he continued to ensure me that he will deposit that amount for me.

He has yet to deposit that amount and walk me through the entire process from A-Z. I'm currently not getting any responses from him on Discord. I don't know much about this method at all yet. Would stay away from purchasing until I can see that this is legit and has some sort of potential.

OP - contact me to resolve this situation and I will happily update the thread. Until then, I will do my due diligence and create awareness.

Were you aware of his other thread? If so, you deserve this. It was quite obvious he was swindling people in his last sales thread and now people are stupid enough to believe this would be any different. I'm not sure what app/platform it is that he is using but as soon as I saw the "Battles" thing in his video I knew it would be related to the other degenerate gambling method.

Sheesh. Hopefully a lesson learned. He's not going to refund you or give you the method.

If you want to be a big idiot like me and send him \$1000 then lose \$500 gambling to attempt to make \$3 in affiliate bonus. Go for it.

In the end this guy is selling you a fake dream.

The method involves you gambling and playing, and there is a chance that you will bust your whole balance. The objective is the gamble to win your deposit back so you can withdraw it, then use your affiliate money to purchase the boxes.

You cannot beat the casino and this is not worth the investment.
I warned everyone and no one took my review lightly.

lulzcat - March 18, 2022, 2:14 pm

To any new friends that are considering purchasing this, keep one thing in mind, if it seems too good to be true then it probably is. Do your own research into the seller and the product being sold.
