Thread: [FREE way to earn some passive income \\$\\$\\$](#)

E11EVEN - March 16, 2022, 1:24 pm

Hi HF community.

Today i want to share with all of you a method that i use to create some passive income, with a small amount invested. U can even start with no money but it'll be a long process to build some passive income.

For example i start using this method without depositing anything 6 month ago, and i withdrawn more than +50\$, But if you put some investment in it u can make 50\$ in just a few days. Everithing depends on how much do u want to invest and if you want to build this fast or slow.

Hit me un in PM's and i'll share the link to everyone who's interested.

In reality i get basically nothing, just 200 golds (that's nothing for me at the moment), and u receive some bonus too.

So its up to you. :D

I always wondered why offer something for free but still put the obligatory PM buffer. Why not just put it in the OP?
