Thread: [Long time lurker](#)

**naahhhhhhh** - March 16, 2022, 11:48 pm

Hello! I am a data scientist and a long time lurker on this forum. Finally decided to make an intro post! I am currently in a helpless financial situation and would love to find help methods here.

Welcome, naahhhhhhh. (interesting choice for a username)

Hope you can get a better financial situation, we've all been there. Good luck.

Hello and welcome to Hack Forums. If you want to make some money here then I suggest finding something you can offer that people want. Check out the Market and see what people are buying.

Enjoy your stay [^^]

Welcome! Good choice making an account. Build up those stats and be apart of the community! :)

**mirray** - March 22, 2022, 2:02 pm

Hope you will get through it quickly.

Good luck from me, we've all made it past some tough times.

**Nullusia** - March 24, 2022, 8:58 am

Good luck man, if you're from UK hit me up I can give you an easy quick method for a couple hundred :) It might work in US too but I can vouch for it as I did it from UK but I know it varies depending on location

**hotwheels52** - March 25, 2022, 3:52 pm

Lurking is fun, but making an account on HackForums... now that's truly invigorating. Welcome OP.

**shzn** - March 25, 2022, 4:16 pm

lit that you joined the forum, both of us are new here now LOL
