Thread: [\[EASY \\$1,200+\] WojcickiCash | ANYONE CAN EARN WITH THIS METHOD \[SCALABLE, EARN MORE\]](#)

juulstar - March 17, 2022, 1:25 am

SALE - ONLY \$45 FOR THIS BOOK; START EARNING TODAY WITH HF'S MOST INDEPTH EBOOK!

see vouches and reviews on the old thread and under "vouches from old thread" on this thread!
<https://hackforums.net/showthread.php?tid=6190673>

RELAUNCH SALE! \$20 OFF FOR A LIMITED TIME.

like an idiot, i put an autobuy link in the old thread, which i am not allowed to do, so that thread was removed (sorry admins!). lesson learned!

[click here to see the old thread with proof of vouches.](#)

plus, keep an eye out for what'll most likely be the last ebook i ever sell! it is a unique, unsaturated and non public tiktok cpa method. any buyer of this book will automatically get \$15 off on that method! that one is quicker money, but it is less stable and nowhere near as viable long term; this is a tried and true scalable method unlike the newer and more volatile tiktok one.

best viewing experience on desktop!

ignore the price on the thread design - it's only \$45 for now ;)

vouches from old thread:

[click here to see the old thread.](#)

Spoiler [\(Click to View\)](#)

the buyer who's b-rating was included left a great vouch, but it was sadly removed from the thread due to my autobuy mess up!

and, this lovely pm:

"I read the guide, I can tell you're legit not like these clowns on HF that be selling methods lol"

tos:

Spoiler [\(Click to View\)](#)

don't chargeback if you buy via paypal (duh) - you will lose and i will give you hell, trust me.

i'm not giving you a refund because i sell a method that requires work. the process gets super fast when you learn it and when you have the proper setup it is damn near autopilot.

don't leak the book! i programmed a script that makes minute changes in the wording and pictures of each pdf and allows me to discover who leaked the ebook by feeding it back to said program - you'll be subject to offsite punishment.

i am happy to help and have helped every single buyer of the book so far but it's not really "included" with the book. i'm happy to help but busy irl so give me time to respond, ect.

note from old thread that you may find important:

Spoiler ([Click to View](#))

- 1) you can start with about \$20-30 bucks easily
- 2) initial deployment of niches if following guide shouldn't take too long. initially making videos (included in guide) will take the longest, but you can outsource or copy them if u want.
- 3) all of the earnings on the thread are payments wired to my bank. i didn't even hustle with this method and had \$30+ days but \$100-200 is realistic if you really, really scale and hustle. instructions on how to scale are included in the ebook!

[contract=tid]click here to buy WojcickiCash and start earning today![/contract]

omni if u see this i'm sorry again for the old autobuy mistake lol luv u boss man

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Since there are no actual reviews, I will wait for now as this seems interesting.

If you deem me reputable enough I would love to take a vouch copy and leave a detailed review.

Highly recommend this seller and method, extremely nice seller who actually cares about the after product of what he sells along with the method itself being extremely profitable for how much it is

for reference i've attached a picture of my earning within the past week using his method, keep in mind i have at most put in 2 hours for setup and haven't touched it since, great way to make some extra cash

10/10 if you want an actual method that requires little work and skill this is for you
