So that is not a family plan? It is my own account? And does this work worldwide?

Saint - June 3, 2022, 4:19 pm

Thinking about using your services tommorow, can you please pm me with some information? I understand this is a personal account, created by you. Can i suggest some information or will it all be random?

Vouch, I've bought from ArcaN multiple times and it's always professional. Response times are

Laughing Man - September 6, 2022, 5:48 pm

Purchased Spotify, He did offer a lifetime Spotify when speaking with him. It does appear it will be activate beyond the standard one year. Time will tell there. Individual was very cordial and polite. Answered all my questions and was trustworthy. I did opt to go first in my purchase with crypto after waiting the 10 minutes for the transaction to complete. He logged into the account and got it all setup.

A+ would work with again.

justabasicusername - September 7, 2022, 9:49 am

Got upgraded to premium on my personal account through family subscription. Quick and responsive.

locolobo - October 20, 2022, 2:10 pm
