Thread: [\[Free\] League of Legends account\(s\) with 100+ RP](#)

jcole - March 19, 2022, 2:17 pm

Each account will have 100+ RP and provide you with at least one battle boost for ARAM. Post below and I will send you an account in convo or private message. ?

edit: I forgot to add that these accounts will most likely be based on NA servers.

No sir.....Most accounts are higher than level 1, but might be lower than level 10 because of the gifting ability.
