Thread: [GIVING AWAY MY SIG SPACE](#)

Lines - March 20, 2022, 11:25 am

Kind of looking to spice up the sig space a little bit so I'll advertise anybody's sig space for a week! If someone else want's their sig space advertised I'll change it after the 7 days, if no one else is asking I'll just continue to wear it.

I spend a lot of time in the marketplace, lounge, and crypto sections.
Just comment here and shoot me a PM with the sig!

Take care guys!

Also: I do have to add for my own protection, wearing your signature is not considered a vouch, nor do I have any relations to your operation or thread. It is simply free advertisement, no strings attached.

Honestly that's kind of what I'm going for too.

Just tired of having an empty sig space.

Rocking Komodo's for now, the code is 2 posts up if you wanna join :)
