I will do it first ^^ . I'm moving to my mom pc...here my AV is blocking a shell:(.

Shit I can't a shell as a ".jpg", Damn it.

No luck here

[http://www.kalram.com/userfiles/image/shell\\_name.jpg](#) <--- Location in case some one manage to upload a shell.

?

**jinrahul** - August 18, 2010, 10:23 am

nice work...

keep going :):)

**pwntoken** - August 18, 2010, 10:27 am

Uploading a Shell to it !

**Naww** - August 18, 2010, 10:33 am

How, I'm also tryin'?

If you manage to upload it, please tell me how.?  
This is the best I could do?

<http://www.kalram.com/products.php>

too bad I couldn't resize my my ".swf" page.?
