Q. If the Bot gets a new update do I need to purchase it again?

=> Nope, once you purchase the bot you get a free access to all future updates that are made to the bot. How? We simply take you email and notify you, if a new update is out.

Q. I want to test the bot first. Is that possible?

=> Yeap, we give a free 24 hours trial too. So if you want to test the bot you can PM us using the Contact Details provided at the end of this Post/Thread.
