Hi,

Security Consultant that's worked in and out of major consultancies in the last couple of years, got a list of HOF'S (hall of fames) to sell.

The list includes:

Apple
Sony
Microsoft
Checkpoint
web.de

and a bunch of more, please PM if interested, no bullshit PM'S, willing to take 150-200 dollars for each, depending on the position, BTC/crypto payments preferred.

You go first on the deal or agree to a middleman and I'll take most of them.
