Thread: [Hf Bumper Sticker](#)

Bluffer - March 23, 2022, 9:38 am

Would you put a bumper sticker on your car that says hackforums on it? Why or why not?

I'm buying a new vehicle soon and pretty much going to use solely money I earned from hf so thought about it if one existed I'd consider a bumper sticker but the name is lil taboo and I'd for sure be questioned if I ever tried to drive into the USA.

Last thing I'd want is for someone from this site to have something important against me like my license plate.

I've had messages of people trying to get my identity just from pictures I've posted with barely any information in them.

no you wouldn't, they wouldn't give a shit about your license plate.

hotwheels52 - March 23, 2022, 11:22 am

I wouldn't put a bumper sticker of any variety on my car.

No Bra - March 23, 2022, 11:34 am

It's something I can easily put on.

grainy - March 23, 2022, 11:35 am

dont put any kind of sticker on your car

Goku - March 23, 2022, 11:42 am

Lol, seems that I'm the only one who would do it xd

I don't even have a car yet. I would put an HF sticker on it. But only if I also have other stickers on it.

HOMODIN - March 23, 2022, 12:09 pm

I would put one on my scrapper car, like, the 2nd car that is kinda like a rolling junk pile...or at least it looks like it :P

AONetwork - March 23, 2022, 12:10 pm

I wouldn't put a Hackforums sticker, i also wouldnt but any other stickers on my car.
I really hate the look of stickers on a car.

Omniscient - March 23, 2022, 12:56 pm

Bumper stickers are dumb. No thanks.

fdne - March 23, 2022, 1:14 pm

Stickers on cars look bad to begin with, a sticker with the name HF would get too much of the wrong attention.

630 - March 23, 2022, 2:48 pm

No shot. I rarely talk about HF outside of HF.

Cap - March 23, 2022, 3:47 pm

I'm picky with my vehicles and don't want anything extra on them. I've never been a fan of bumper stickers. So I'd pass on this.

canine - March 23, 2022, 5:21 pm

tbh you guys think you're really cool for being all "i don't understand the appeal of bumper stickers!!" yet all of you are using forum signatures. those are basically virtual bumper stickers.

Nullusia - March 23, 2022, 5:23 pm

Do you reckon da baby drives around with a baby on board sticker?

False King - March 23, 2022, 6:22 pm

Bumper stickers are one of the most cringy things out there. It just screams boomer or soccer mom.

Bob White - March 23, 2022, 6:24 pm

My last car had a lot of stickers on it, my new car has only 1, the lil peep logo on my back window <3

I-I - March 23, 2022, 6:38 pm

I would not, I already don't like putting any sort of "message" on my car. I'm defiantly not gonna tell the world I use Hack Forums lol.
