I accept a trusted middleman from the forum, money released when site has been created and delivered!

More updates to come on this thread. Stay tuned!

This is some income from my built dropshippings to my buyers!

T.O.S

1. I have the right not to accept your order.

Could I see some of the sites you've worked on?

Highly interested, also are the products shipped from USA? What's the shipping time estimate with your provided suppliers?
