I don't think u can upgrade with cc anymore

You'll probably need to buy bitcoins

It shows up ;D

DashPHP - March 26, 2022, 5:00 pm

The site says it only accepts crypto, so maybe the payment provider might have it, omni is not accepting it

L33t upgrades are the only thing you can purchase with a credit card, paid through Stripe.
Everything else on the site requires crypto.
