Call Of Duty Points!

Q: How does this service work?

A: You pick which bundle(s) you want, add us via Activision friend (in game friend request), we send the bundle(s) to your account.

B. When you purchase points, you will receive a full access XBOX, email and Activision account. The points are loaded onto a pre-made XBOX account and can be spent on XBOX only but purchased items can be accessed on all platforms.

The items and bundles you buy on the XBOX account will be available on all platforms including PSN, XBL, & BN.NET

Simple.

All Platforms: PC / SONY / XBOX

Prices for COD Points:

5000 Points - \$25

9500 Points - \$30

13000 Points - \$40
(RRP: \$100)

21000 Points - \$50
(RRP: \$150)

I'm Stanley HF's helper bot. The OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
