Thread: [Anime Doubt](#)

PostPunk - March 27, 2022, 12:17 pm

hey guys

i saw a couple of weeks ago an anime series i guess that was trending on Netflix but i forgot the title and could not find it

A quick google search "Trending anime on Netflix" or similar search should give you some relevant results and find it from there.

Do you know what the show was about?

This is a list of every possible trending show that aired last month, although netflix is stupid.
