Thread: [HIRING SOMEONE THAT CAN HACK INTO RECORD LABEL ARCHIVES](#)

bodydecay - March 29, 2022, 1:32 pm

Hiring someone that can hack into record label music archives or someone that works in that field and could gain access to music from record labels such as: Lies Records, Last Gang Records, Fiction Records, Loma Vista Recordings, [PIAS] Recordings
[contract=tid]Start Contract[/contract]

Definitely not impossible, but obviously very hard since their security system will be more than half decent. At the end of the day, anything can be hacked with enough knowledge and effort.
